## Mālāma Mentor Introduction

Date: \_\_\_\_\_

Dear Parents or Guardians of \_\_\_\_\_,

My name is \_\_\_\_\_ and I have the joy of spending an hour with \_\_\_\_\_ every week for the rest of this school year.

I wanted to send this note home in order to introduce myself and our Mālāma Mentors program: \_\_\_\_\_ Elementary School cooperates with \_\_\_\_\_ High School to provide volunteer mentors who spend an hour of encouragement and conversation with elementary aged students each week. One hour of undivided attention from a caring individual can often really help a child!

We may look over some homework assignments, but I am not a trained tutor, so please don't expect too much in this area. We may also read, play games, or just talk story in the hope that some good life-values will be shared. I really hope the time together is enjoyable and that my wonderful new friend will look forward to it every week as I do.

If you have any questions, you can contact my head coach,

\_\_\_\_\_.
